

Annual Report Seha Welfare Organisation 2022

Seha Welfare Organisation

Vision

To provide **quality primary healthcare** that is virtually free of charge to the most needy.

Mission

To impact the entire community, not only those needing immediate medical attention, through our OPD clinics and specialized care to individuals with conditions that have been worsened by malnutrition, poor living conditions, and the absence of vaccinations.

Our Services

- **OPD** by male & female doctors
- Specialist **diabetologist** OPD
- **Free primary medicines**
- **Vaccination** for infants and pregnant women
- **Eye clinics** to facilitate cataract surgeries.
- **Ramadhan rations** for the most needy.
- **Flood relief camps**– Interior Sindh

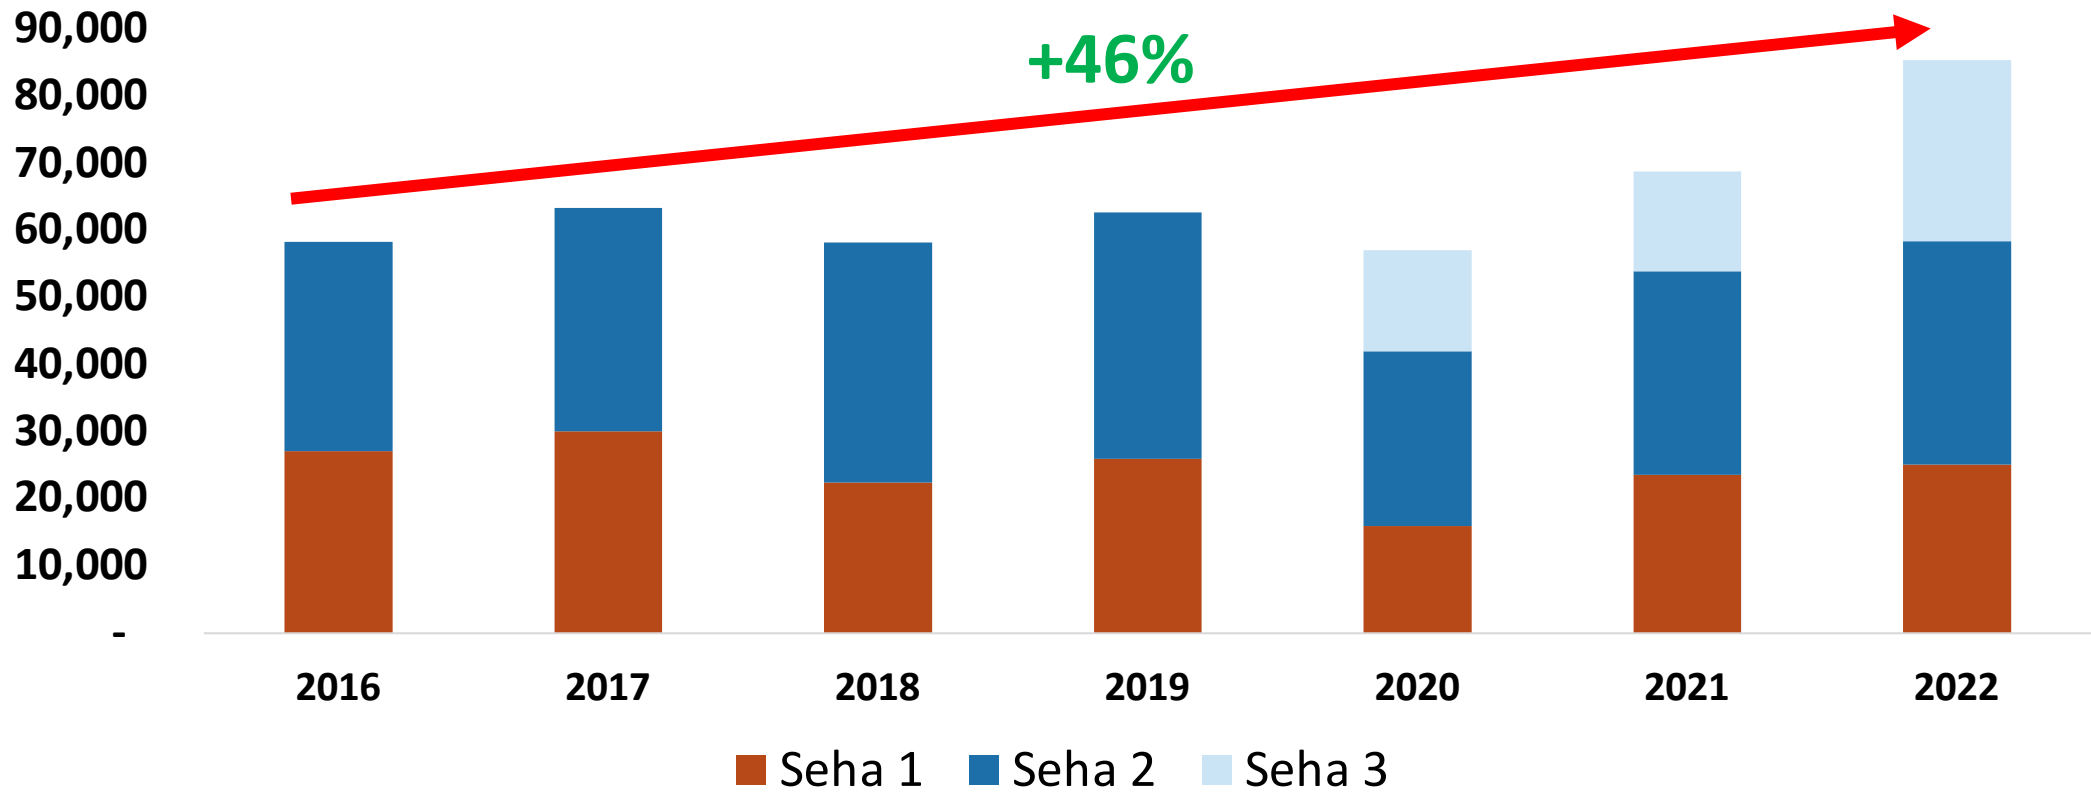

100% of donation is used to provide health care facilities to treat the needy , donations can be Zakat or Sadaqat. The expenditure process is Zakat complaint.

How Can you Support

- **Sponsor** an OPD **clinic** Rs. 300,000 / month
- **Medicines** for 1 clinic Rs. 75,000 / month
- **Diabetes clinic** Rs. 35,000 / month
- **Eye clinic** Rs. 20,000 / month
